Whats new in Munich?

Munich  21.05. 12:03

We received many messages about a new bike lane at the Prinzregentenstraße. We would therefore like to know if the majority of you would like to have a new bike lane there.

I would support that!
 I don't think this would be necessary!

Will there be a bike lane from ... to ... in the future?

+ transport infrastructure

Does one of the following questions help you with your concern?

Is there an additional **bike lane** planned at the Maximilianstraße?

Wouldn't it be desirable to have more **bike lanes** in munich?

Will the city focus on **bikes** instead of cars?

The right **lane** at the Rosenheimer Straße is frequently blocked by parking cars. Is there anything the city can do about it?
